OPRS Submit Enhancement for Dose Escalation Cohort Changes

OPRS NEWS
July 12, 2007

Please note that OPRS Submit has been enhanced to allow study teams to identify Dose Escalation Cohort Changes as a specific amendment. These amendments are usually time sensitive and need to be processed quickly. To submit such an amendment, please select "Dose Escalation Cohort Change" from the "Document Type" pull down list. Please continue to use the amendment form and attach all other relevant documentation including the revised Alert Page and sponsor correspondence if applicable.

Thank you!
