## Office for the Protection of Research Subjects

### *New Form: Request to Continue Research Interventions*

Please be advised that a new form has been posted to the OPRS website for study teams to request IRB approval for the continued participation of currently enrolled subjects on protocols for which IRB approval has expired.

No new subjects may be enrolled, data collection and analysis must cease, and currently enrolled subjects may continue to be treated only where it is in the best interests of enrolled subjects, if IRB approval has expired for any reason.

The form is located on the link under "Continuing Review Forms". Please submit these requests via OPRS Submit. The form can be found here:

<http://www.dfhcc.harvard.edu/clinical-research-support/office-for-the-protection-of-research-subjects-oprs/forms-and-instructions/continuing-review-form/>

Please do not hesitate to contact OPRS if you have any questions or require additional information.
