

Updated Clinical Trial Audit Manual

This audit alert is to inform you that the DF/HCC Clinical Trial Audit Manual has been updated.

These updates include:

- An inclusion of the meeting structure, responsibilities and membership of the Audit Subcommittee
- An addition to the Protocol Selection Criteria- Industry and Cooperative Group trials: Annually, a minimum of one industry and cooperative group trial will be audited per disease group.
- Administrative revisions, including updating the title of the Audit Managers to Clinical Research Auditors

The Clinical Trial Audit Manual can be located on the Clinical Research Operations web site under the Quality Assurance Office for Clinical Trials , Policies and Procedures section.
