

Beth Israel Deaconess Medical Center

January, 2012

To Whom It May Concern:

For each clinician whose credentialing requires a federal Drug Enforcement Administration Registration (DEA) and a Massachusetts Controlled Substance Registration (MCSC), Beth Israel Deaconess Medical Center's Office of Professional Staff Affairs, per the Massachusetts regulatory standards for credentialing (CMR 3.05) continuously monitors that each clinician's registration is current and not expired.

As a document of the credentialing process, Beth Israel Deaconess Medical Center must maintain the confidentiality of such clinician's DEA and MCSC registration information. Beth Israel Deaconess Medical Center does not release this information to any party for any other purpose.

If you have any questions concerning this credentialing process, please contact me at (617) 667-1919.

Sincerely,

A handwritten signature in cursive script that reads "Anne Marie Jarvey".
