May 14, 2010,

To Whom It May Concern:

Per the Massachusetts regulatory standards for credentialing (CMR 243 section 3.05), the Medical Staff Office at the Dana-Farber Cancer Institute continuously monitors and verify that each clinician's Federal DEA registration and Massachusetts Controlled Substance Registration (MCSR) is in good standing for each physician whose credentialing requires a DEA and MCSR registration.

The Dana-Farber Cancer Institute is responsible for maintaining the confidentiality of each clinician's DEA and MCSR registration information and does not release this information to any party outside the institute.

If I can be of further assistance or answer any questions, I can be reached at 617-632-3484.

Sincerely,
