

University of Massachusetts Boston & Dana-Farber/Harvard Cancer Center
Comprehensive Partnership to Advance Cancer Health Equity

REQUEST FOR GRANT APPLICATIONS

SPONSOR:	University of Massachusetts, Boston (UMass Boston) – Dana-Farber/Harvard Cancer Center (DF/HCC) Comprehensive Partnership to Advance Cancer Health Equity (CPACHE) (U54) Grant
FUNDING SOURCE:	Federal
AWARD LEVEL:	Pilot Project (up to \$75,000 in direct costs per year for two years) Full Project (up to \$150,000 in direct costs per year for three years)

The Partnership is submitting a competing application for renewal in October 2025. Projects selected will be included in the application and evaluated by NCI. Funding is contingent upon NCI's successful award of the U54 PACHE grant. Our proposed theme for the renewal application is:

"Harnessing Data Science to Eliminate the Cancer Burden for All"

Letter of Intent Deadline:	February 26, 2025 by 11:59 PM EST
Application Deadline:	April 11, 2025 by 11:59 PM EST
Anticipated Award Date:	August 1, 2026
