

NCI CTEP Registration

Physicians and all other personnel participating in ETCTN research must register with CTEP using the CTEP-IAM Application. Additional registration via the NCI Registration and Credential Repository (RCR) is required for Investigators and select study staff.

Refer to the DF/HCC ETCTN NCI and CTEP Registration Guidance Document.

ETCTN and NCI CIRB Rostering

Physicians and all other research personnel participating in ETCTN research must be rostered with the ETCTN. Physicians and all other research personnel responsible for preparing submissions to NCI Central Institutional Review Board (CIRB) must also be rostered with the NCI CIRB.

Refer to the DF/HCC ETCTN and NCI CIRB Rostering Guidance Document.

NCI CIRB PI Worksheet

Each DF/HCC Site Principal Investigator participating in any ETCTN study must submit an annual PI worksheet to the NCI CIRB.

Refer to the DF/HCC ETCTN NCI CIRB Annual PI Worksheet Guidance Document.
